Third Time Is A Charm. Benoit & Czarnecki Named To 2005 *Qualified Remodeler* Top 500.

Newtown Square, PA – October 1, 2005 – Benoit & Czarnecki Design/Construction, LLC, is named to the *Qualified Remodeler* magazine's Top 500 for the third consecutive year. The annual listing is published to recognize remodeling firms for six criteria of success: annual sales volume for the previous year, total number of years in business, association membership, certified employees on staff, industry awards, and community service.

"It is again an honor to be recognized by *Qualified Remodeler* for our continued craftsmanship and service in the industry," said Jim Benoit, Construction Manager. "We take pride in our work, as well as in our involvement in the industry. We are glad to see the industry gain the credit it deserves after so many years of being cast in a bad light due to unprofessional practices of the past. *Qualified Remodeler* serves as a catalyst for such a change and we are honored to be named to the Top 500 for 2005."

Benoit & Czarnecki is ranked 414th on the *QR* Top 500, which is up forty-six places from last year. Benoit & Czarnecki is one of three full service builders selected in the western suburbs and Main Line region. They also received special star recognition for association service, certified personnel, community service, and industry awards.

"We are very pleased to be accepted again by *Qualified Remodeler*," said John Czarnecki, Operations Manager. "We feel responsible to help raise the standards of quality and service within our industry, and hope to see continued progress, as in recent years. We recognize that not only are we delivering a physical product, but also and more importantly a service to the client and the community. We tastefully design projects and help the client visualize their new living space. Then we manage and build the space while working closely with the client to guarantee their complete satisfaction."

About *Qualified Remodeler Magazine*
