BENOIT & CZARNECKI, LLC HONORED WITH *REMODELING* MAGAZINE BIG50 AWARD

Newtown Square, PA – May 18, 2004 – Benoit & Czarnecki Design/Construction, LLC has been selected by Remodeling magazine as a winner of the 2004 Big50 Award in the *Industry Impact* category. The Big50 awards were presented at a gala dinner at the Remodeling Leadership Conference in Washington, DC on May 14, 2004. Winning companies are featured in the May issue of Remodeling magazine.

Each year, Remodeling magazine inducts 50 companies who have set the standard for professionalism and integrity through smart marketing, exemplary business practices, unique design, and extraordinary impact in their community or the industry at large. Big50 remodelers run successful, often growing, companies of various sizes that have taken the lead in raising industry standards.

“It is an honor to be named to the Big 50,” says James Benoit, Construction Manager. “As a remodeler we want to better our own skills and knowledge base, and also want to help build a better reputation for the remodeling industry as a whole. We hope to help establish a strong code of ethics and business practices through our own work ethic and through our involvement in organizations such as the National Association of the Remodeling Industry (NARI).”

Remodeling editors, columnists, industry leaders, and the companies themselves make the nominations each year. Following a lengthy evaluation process — which includes interviewing people at the nominated companies, and often interviews with their competitors, suppliers, and subcontractors — Remodeling’s editors select the 50 remodelers who exemplify the very best of the industry that year, and who have something to offer other remodelers in proven practices. Winners are selected in these categories: business savvy, fine design, industry impact, market wise, movers & shakers, niches, sales & marketing, and teamwork.

“We feel it is a great recognition of our high quality service and craftsmanship at a national level,” said John Czarnecki, Operations Manager. “We are pleased to be named with such a prestigious group of remodelers in the Big 50 Class of 2004 and the alumnae of years past.”
