Benoit & Czarnecki Enters and Wins 2005 DelCY Award

Newtown Square, PA – March 11, 2005 – Benoit & Czarnecki Design/Construction, LLC a member of the DelChester Chapter of NARI (National Association of the Remodeling Industry) wins a *DelChester NARI Contractor of the Year Award* (DelCY) and an Honorable Mention for 2005. This is the third consecutive year Benoit & Czarnecki has entered and won awards with each entry.

“It is always a great pleasure to win a DelCY award, especially with the high level of competition,” said Jim Benoit, CR, Construction Manager. “Each year the competition gets tougher and the projects more spectacular. We are very pleased to maintain a consistent level of quality and to have it recognized by the judges.”

The 2005 DelCY Awards are for members of the DelChester Chapter of NARI to showcase their best work for the 2004 calendar year. The entries are judged on problem solving, craftsmanship, aesthetics, innovation, functionality, and degree of difficulty. They are divided into ten categories ranging in both type and size of project. Benoit & Czarnecki won the category of *Residential Addition \$100,000 to \$250,000* for a project in Wayne, PA which was design and built by Benoit & Czarnecki. They also entered the category of *Residential Kitchen over \$100,000* and received an Honorable Mention for a job in Wynnewood, PA. Both of these categories were heavily contested and had top quality projects.

“We enjoy putting our work up to be measured by our peers. It gives us a reality check within the industry and allows us to gage our work with the rest of the playing field,” said John Czarnecki, CKBR, Chief Designer. “Both projects used high levels of finishes and turned out beautifully. Our clients were fully satisfied, which is in the end the greatest achievement.”
